

Name _____

Color the letter /igh/ spaces yellow. Color all other letter spaces a different color.

Color all the spaces with /igh/ yellow. Color all other spaces another color.

Trace the /igh/ words below. Circle all the letter igh's you can find.

A word cloud featuring various combinations of the letters 'i', 'g', and 'h'. The combinations include 'igh', 'high', 'ugh', 'egh', 'jgh', 'tr', 'K', and 'L'. The letters are rendered in different fonts, sizes, and weights, some in solid black and others in white with black outlines. The arrangement is dense and overlapping, creating a visual representation of the letter combinations.
