

You will need:

1. Scissor
2. Color Pencil or Crayons
3. Pencil
4. Glue

Follow the steps:

1. Color template.
2. If you like, using your pencil, you can draw various designs to your teacup like flowers, animals, patterns, etc.
3. Cut template.
4. Curve and glue edge to form a cup.
5. For teacup base, cut the slits. Flip over and add glue to the flaps.
6. Attach base to curved teacup.
7. Attach handle.
8. For saucer, glue one edge and stick to other side.
9. Sticking saucer and teacup is optional.
