When I was a baby, I cried a lot.

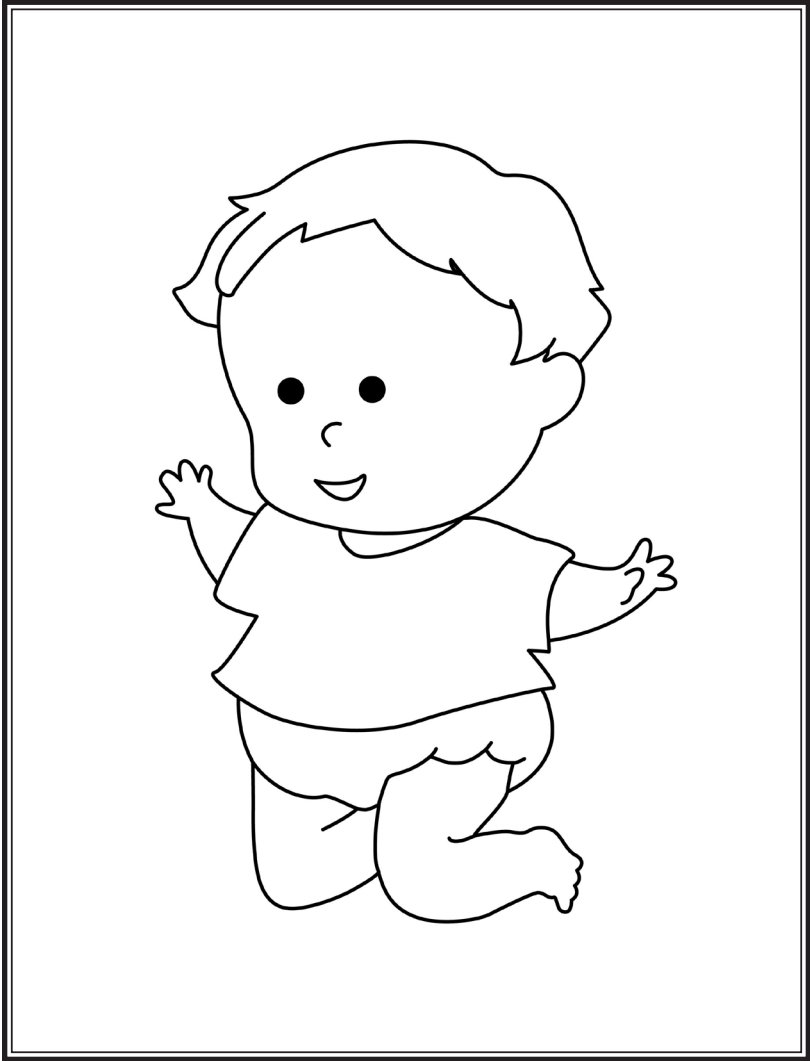

I drank milk from a bottle when I was hungry.

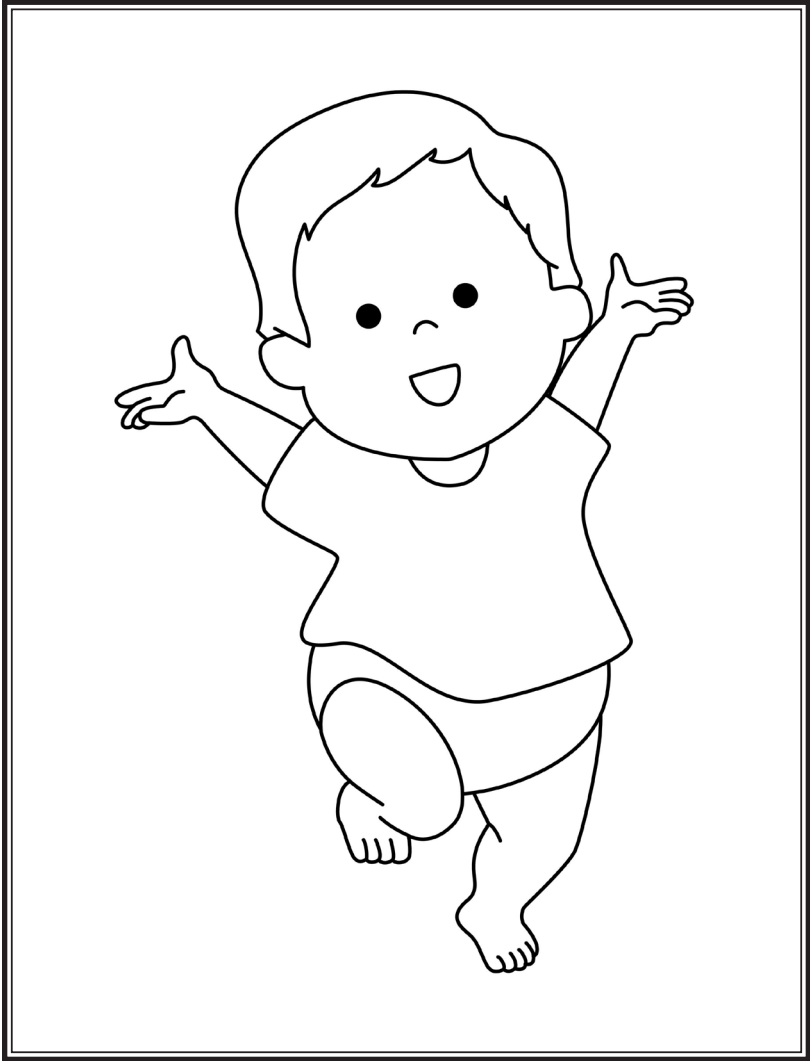

I slept in a crib when I was tired.

When I was one year old, I tried to walk.

I fell a lot!

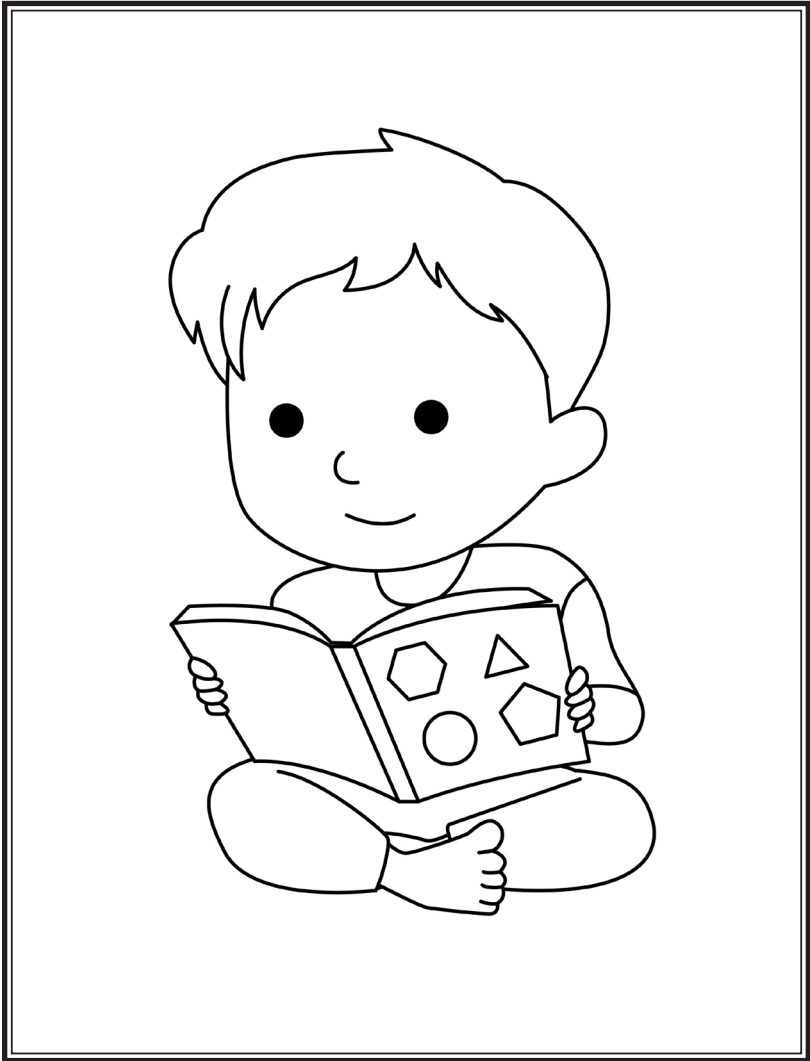

When I was two years old, I said
my first words.

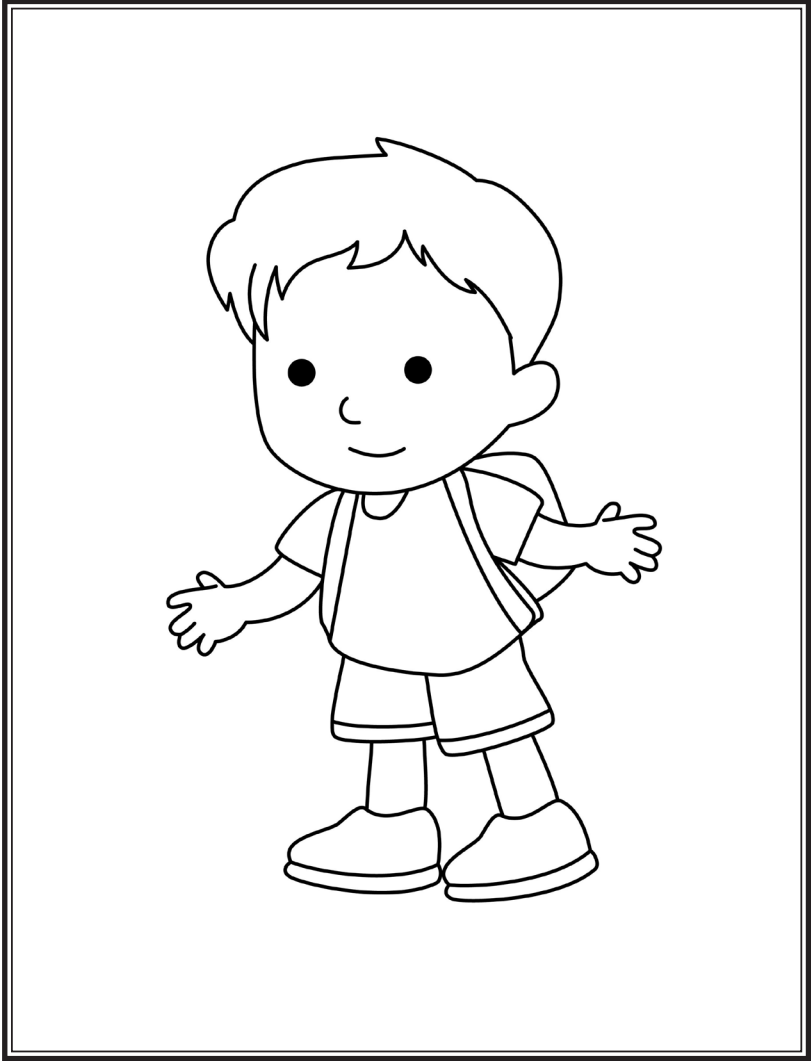

I got a new bed too.

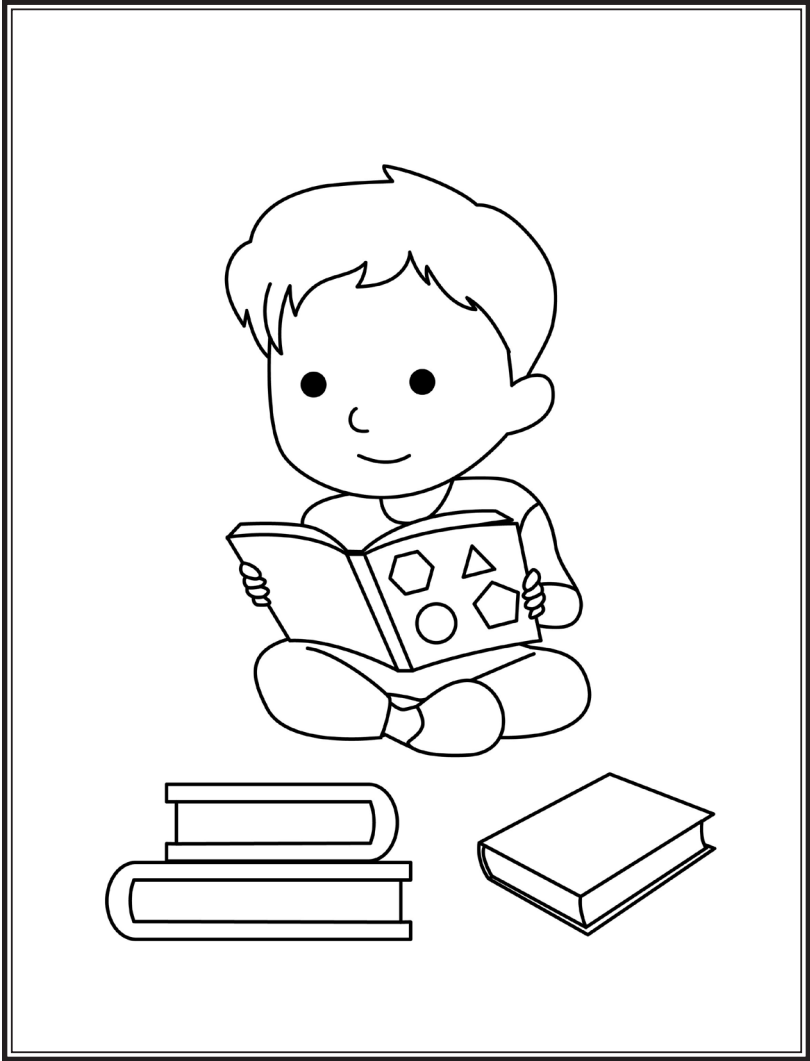

When I was three years old, I
rode a tricycle.

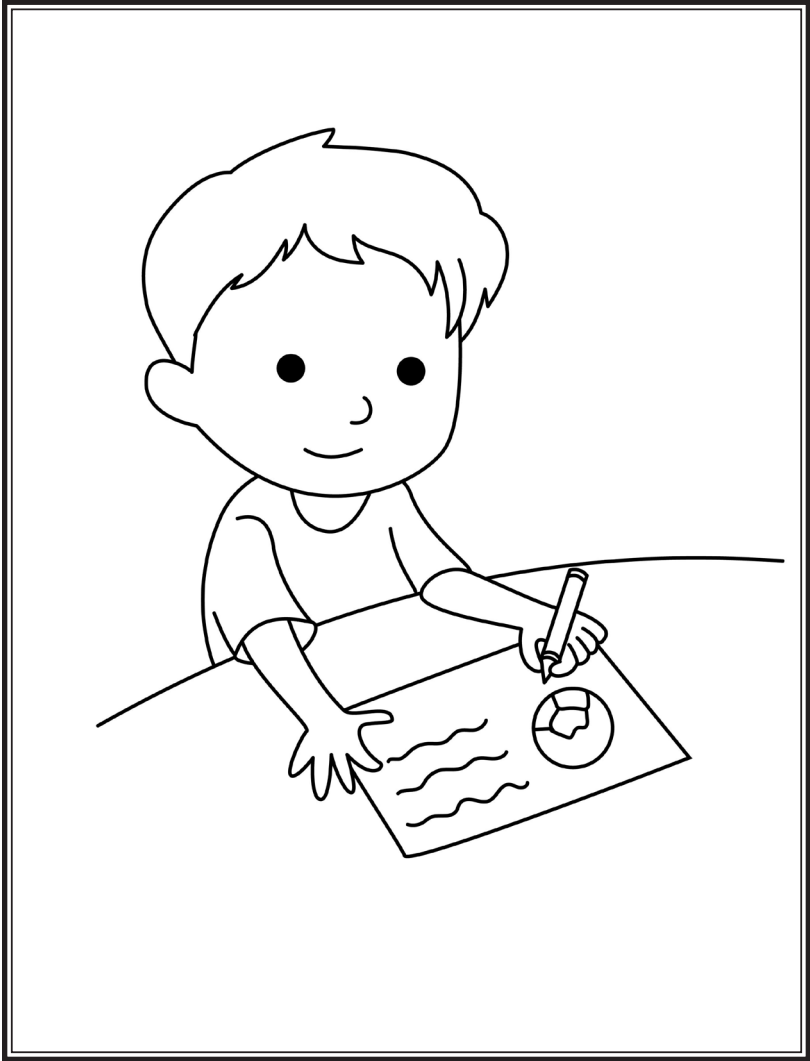

When I was four years old, I named
some shapes and colors.

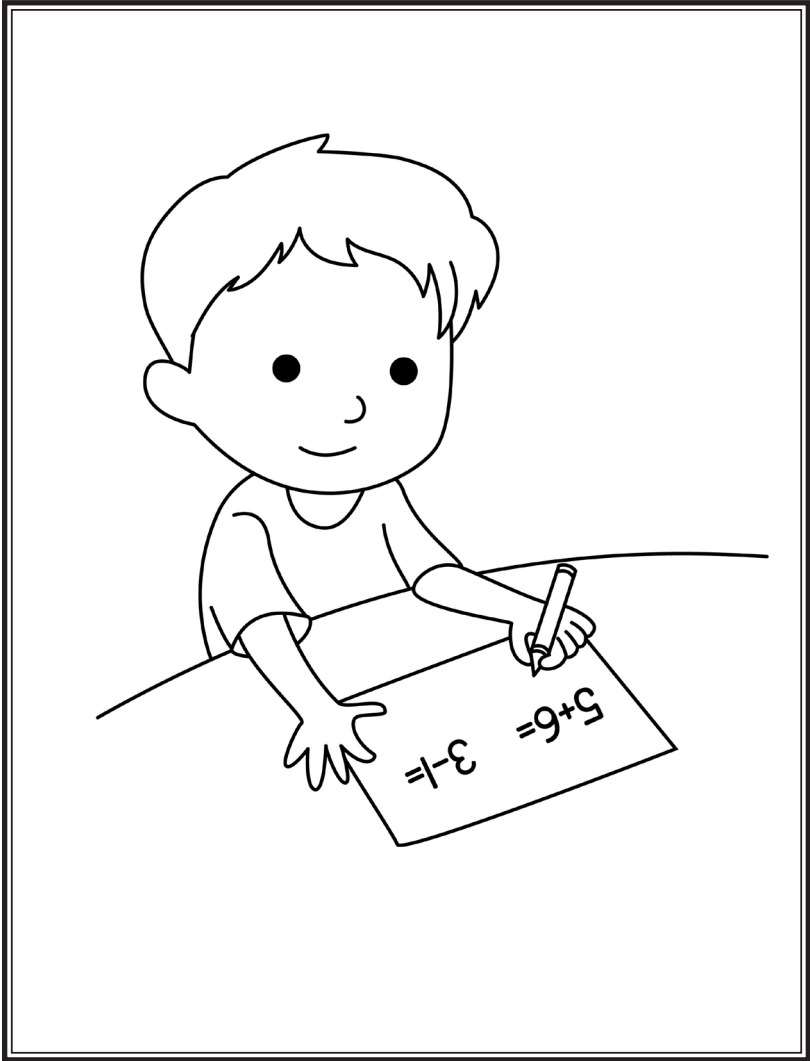

When I was five years old, I went
to school.

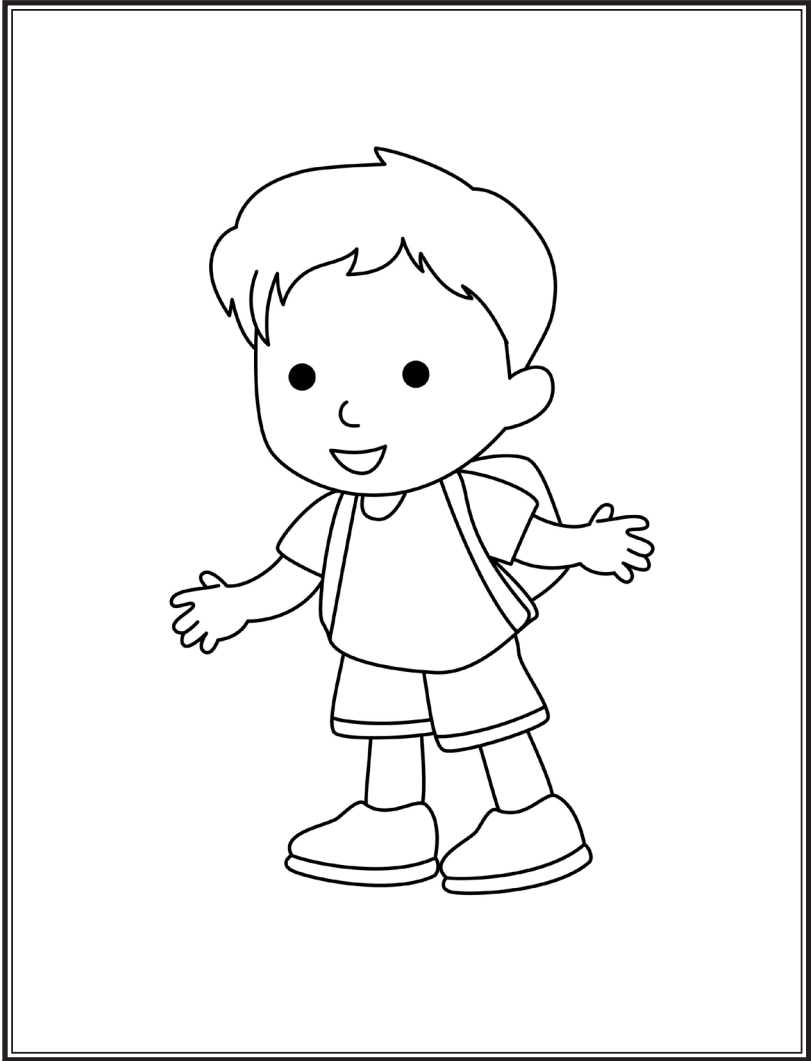

In Kindergarten, I was reading books.

I was writing and drawing pictures.

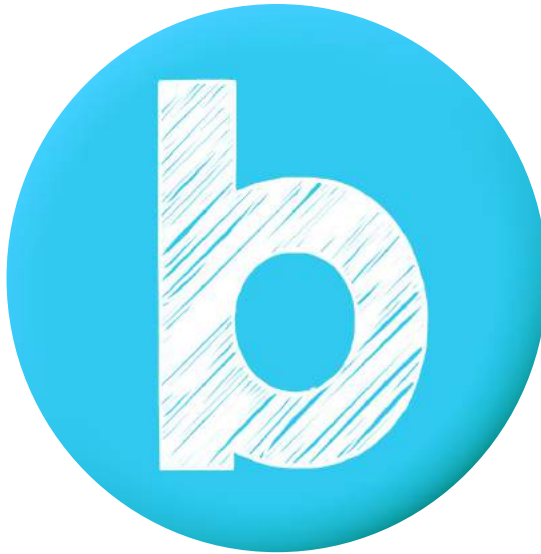

I liked to do Math too.

What do you remember?
